

Adopt-a-School Program

Since 1995, the Fairfax Law Foundation has sponsored the Court Tour Program for eighth grade students in Fairfax County. Due to Fairfax County budget cuts, the Court Tour Program cannot continue without the help of sponsors who will pledge \$1,000 to adopt-a-school. By pledging \$1,000, your sponsorship will enable eighth grade students to participate in the Court Tour Program which has been an element of the Standards of Learning for over ten years, and is an integral part of the curriculum for eighth grade Civics classes. To become a sponsor of the Court Tour Program, choose a school below without sponsorship and contact Sonya Duchak at sduchak@fairfaxbar.org or 703-627-1228 for more information.
